K-bip

FoodTech Kerala is being organised from **May 22-24, 2025** at Cochin and will be the 16th Edition of this premier event in Kerala.

It is the premier trade fair and a 'must not miss' exhibition for all organizations involved in food processing and packaging sector to showcase their products and services. Various concurrent sessions are also being planned out to be held along with "FoodTech Kerala".

The main aim of this expo is to promote and develop these sectors and related trade by disseminating information and knowledge to food processors, traders, packaging units, retailers and others involved in the food chain.

The 3 day Exhibition will showcase broad spectrum of technology, equipments, solutions for food processing dairy, beverage, food retailing, refrigeration & cold, chain, processed foods, hygienic & healthy foods, packaging etc.

Digital Marketing

Because our audience gets its info online in the office and on the move via mobile, we are reaching out to them with a digital marketing program that's specially tailored for both platforms. Using social media, including Tweeter, LinkedIn, Facebook to create a community that offers opportunities for interaction between exhibitors and buyers at the expo.

Web Promotions

Our supporting web portals will be promoting the event through their dedicated sites and this will be an effective medium for interested visitors to pre-register as buyers to the exhibition.
