

The 9th edition of 'FoodTech Kerala 2019' was held from **23-25 January 2019** at **Bolgatty Palace Event Centre, Cochin.**

This edition of FoodTech Kerala The expo, organized by Cruz Expos, was supported and endorsed by the Kerala Bureau of Industrial Promotion (K-BIP), Central Institute of Fisheries Technology (CIFT), Indian Council of Agricultural Research (ICAR), Federation of Indian Chambers of Commerce and Industry (FICCI), and UCO Bank.

The three-day exhibition had stalls related to the food processing and packaging industry, with participation from national and international companies and from Department of Industry, Government of Kerala, who had put-up an exclusive Kerala State Pavilion for SMEs from the food processing sector. The exhibition showcased broad spectrum of technology, equipments, solutions for food processing, beverage, food retailing, refrigeration & cold, chain, processed foods, hygienic & healthy foods, packaging etc.

The exhibition spanning three days had over 85 stalls from a wide arena of categories related to the Agro-Food Processing and Packaging industry. The stalls included exhibitors representing the machinery and equipment for the processed food industries. It was a great success with a total of 65 organizations (both local & national) exhibiting during this year's exhibition with a total of 3850 trade visitors and over 250 trade invitees who attended the exhibition.

The post event evaluation has revealed a strong positive desire by the exhibitors and the participants to be engaged in future editions as well. It was also mentioned about the increase in small and medium scale enterprises and the latest innovative products they have to offer. As part of the expo, the Federation of Indian Chamber of Commerce and Industry (FICCI), and FQF (FICCI Quality Forum) had also organized a one-day Quality Training Certification Programme on 'Sustainable Food Safety Practices : Regulations and Standards' on January 24. The conference focused on the important aspects concerning the growth of the food processing industry and was well attended.
